## Content Sponsorships

### Big Sky Use Case Stage - Speaking Sponsorship: \$2,999

We are offering limited spaces for leading companies to showcase their newest and best real-world solutions for the energy UAV industry. These include use case studies and new technology updates. These solutions sessions will be 25 minutes in length (including Q&A) in our theater with all AV and refreshments provided.

Package includes:

- You'll receive a list of registrants with contact information who visit your Use Case Presentation (approximately 35-40 seats available for each session).
- Listing in the Agenda section on Official Show App
- Company literature displayed on table in the Theater area.
- Main Stage announcements will promote Use Case Presentations & Sponsors.
- You'll receive one (1) complimentary Summit Conference registration.
- Your company logo and Use Case topic will be in the onsite Use Case Program Guide distributed to all attendees.
- Company logo and use case topic in conference pre-event emails distributed to thousands of energy UAV industry stakeholders.
- Each Use Case Sponsor will be provided a custom co-branded HTML to promote their solution and Use Case to their prospects, featuring a discount code to attend EDC and hear their Use Case presentation.

### EDC Newsletter Sponsorship: \$1,000 per banner in each issue

Have your company brand and message banner advertisement delivered bi-weekly to over 9,000 global energy & engineering UAV subscribers for our Energy Drone Coalition Newsroom.

**We're here to help!**
